As a Mentor in Urban 360 Program, I understand that I am responsible for my character to be aligned with the mission and purpose of this organization. All personal opinions regarding subjects outside of the program are not to be included for the benefit of all students. The goal is to create an atmosphere where students can learn and engage with the mentors in a healthy form.

I agree:

- To attend all scheduled mentor sessions. If I am unable to attend, I will notify my director at least 24 hours in advance. In case of illness, I will notify my director at least one hour in advance.
- To have a good attitude about being a part of the Program.
- That services will only last 8-12 weeks, and then, if I would like to continue mentoring, I may continue.
- As a mentor to never drive or assist the student home (ex. take the bus or walk with them). At no time should there be inappropriate relationships with students.
- Urban 360 does not provide medical coverage for mentors and I release and hold harmless Urban 360.
- Urban 360, its officers, agents, contractors, subcontractors, community partners, volunteers and employees are not responsible in the case of any injury, accidents, lost items, or unseen circumstances that may acquire during mentoring sessions.
